## OVERVIEW

"All men seek to be real men, but most of us are not intentionally developed into manhood by godly men. The result? Men unconsciously write their own code of manhood and follow it rigorously...

... but it's a flawed code that excludes God and His great plan for His sons. Meaning well, we often end up in prisons that bar us from truly becoming men, hurting ourselves and our loved ones in the process.

The Good News of the Gospel of Grace is that because of Jesus, men of all ages can get out of those prisons and develop into real men with a real Father who will invest Himself into developing them every day of their lives."
